QCTO SKILLS PROGRAMME SP-220321

SKILLS DEVELOPMENT FACILITATION PRACTITIONER

NQF LEVEL 5 – 40 CREDITS

This programme is intended to develop competencies for employees located in the human resource management or human development space within an organisation to ensure that effective skills development is driven within an organisation.

OPPORTUNITIES FOR LEARNERS

Successful completion of this programme may lead to opportunities for employment and self-employment in the highly legislated and regulated Skills Development arena. Public and private organisations employ Skills Development Facilitation Practitioners on a full time and/or project by project basis.

A learner who successfully completes this skills programme has an opportunity for further learning, with the following as options:

- Occupational Certificate: Training and Development Practitioner, NQF Level 5, Credits 190.

WHO IS THIS PROGRAMME FOR?

This programme is for persons who plan for, conduct, and administer skills development planning in an occupational context. This programme is intended to develop competencies for employees located in the human resource management or human development space within an organisation to ensure that effective skills development is driven within an organisation.
